PREMATURE MARRIAGES.  
MADRAS, Nov. 19.  
The Central Hindu College has taken another step to discourage premature marriages. From March next a double admission fee and a double tuition fee will be charged for all married boys in the tenth and ninth classes of the matriculation class and the one below it. In the lower classes married boys are not admitted.

WEATHER SUMMARY.  
SRINAGAR, Nov. 20.  
Pressure has been steady or has fallen. The fall has been small except in Kashmir and parts of Upper India and South India where it has been brisk. The weather has been fine in the Indian region during the past 24 hours except for light showers in Ceylon, but the weather is cloudy in Persia and Spanish reports moderate defect in the South-east of the Bay. Humidity and cloud have both decreased in South India. The weather will probably continue fine over the whole country during the next 24 hours.
