

464/25

Y. A. H. U. S.

Handwritten text in Ottoman Turkish script, oriented vertically on the page. The text is dense and appears to be a formal document or report. It contains several lines of cursive script, with some words and phrases that are difficult to decipher due to the cursive style and the angle of the page. The text seems to be a continuation of a document, possibly related to the archival or administrative functions mentioned in the stamp.
