

4553

Y-A-Hus : 202 - 33

Handwritten text in Persian script, appearing to be a medical or administrative report. The text is written in a cursive style and covers most of the page. It includes various lines of text, some of which are partially obscured or difficult to decipher due to the handwriting and the angle of the page. The text seems to be organized into paragraphs or sections, though the specific details are not clearly legible.
